

1977 INDEX

1977 INDEX

<i>Pages</i>	<i>Month of Issue</i>	<i>No.</i>
1-96 _____	January-February _____	1
97-197 _____	March-April _____	2
198-296 _____	May-June _____	3
297-396 _____	July-August _____	4
397-497 _____	September-October _____	5
498-600 _____	November-December _____	6

KEY TO CLASSIFICATION OF SUBJECT INDEX

- (*) Original signed article
- (CR) Conference report
- (PR) Publication review
- (SR) Short report

This index to PUBLIC HEALTH REPORTS is divided into a subject index and an author index. The subject index carries one or more entries for each item published. In addition to the subject headings, categorical headings include ANNOUNCEMENTS, CONFERENCES; BIBLIOGRAPHIES; CONFERENCE REPORTS; CONTRACTS, FELLOWSHIPS, GRANTS; EDUCATION NOTES; FILMS; and PUBLICATION REVIEWS.

SUBJECT INDEX

ACCIDENTS

- fatal injuries attributed to consumer products in Pennsylvania, 1971 *374

ADMINISTRATION

- essential administrative ingredients of risk management as a preventive against malpractice *462

ADOLESCENTS *see* Youths

AGED AND AGING

- adult day care programs in the United States: current research projects and a survey of 10 centers *49
care of patients in nursing homes, nationwide study to evaluate (PACE) *30
elderly and drugs, problem overview and program strategy *43
focus on mental health of the aging (SR) 85
health status, needs, and use of health services; persons 65 and over *9
hospitalization for fractures and bone loss in adults. Why do we regard these phenomena as dull? ... *33
nursing home patients share activities with institutionalized mentally retarded youngsters, North Carolina *57
research programs, National Institute on Aging .. *3
social worker's role with aged clients in community mental health centers *39

AEROSOLS

- chlorofluorocarbon propellants in, FDA proposes phaseout (SR) 92

AMBULATORY CARE

- experiments in; new film for hospital boards and administrators (SR) 492
22 primary care sites receive awards from Hospital Research and Educational Trust, funded by grant from W. K. Kellogg Foundation (SR) 489

ANNOUNCEMENTS, CONFERENCES

- American Medical Association Congress on Occupational Health, 37th annual 394
Canadian Foundation on Alcohol and Drug Dependence 87
fifth Western Hemisphere Nutrition Congress, "Nutrition in Transition," Aug. 15-18, 1977 294
Health Resources Administration sponsors "Energy Management in Health Institutions" 87
National Conference on Clinical Trials Methodology 387
National Conference on High Blood Pressure Control seeks papers for 1978 489
Purdue Air Quality Conference and Exhibition .. 391
7th International Congress of Dietetics, Sydney, Australia 93
Ten-Day International Teaching Seminar on Cardiovascular Epidemiology and Prevention, Ghana 89
32d Annual Purdue Industrial Waste Conference.. 91

ANNOUNCEMENTS, ORGANIZATIONS

- Institute for Strategic Health-Care Planning, new organization 586

ANTHRAX, BOVINE

- epidemiologic and laboratory investigations in two Utah counties, 1975 *176

ARTHRITIS

- joint U.S.-U.S.S.R. study of treatment with penicillamine (SR) 189

BEHAVIOR

- effects of solicitor variables on obtaining pledges to donate blood *383
of wives in helping to prevent heart disease in husbands *65
suicidal, effects of seasons and sociological variables on *233

BIBLIOGRAPHIES

- National Library of Medicine 291

BIRTH DEFECTS

- diagnostic data conveyed rapidly by worldwide computer system (SR) 192

BLOOD DONORS

- effects of solicitor variables on obtaining pledges to donate *383

BLOOD PRESSURE *see* Hypertension

CANCER

- and genital tract anomalies in females exposed in utero to diethylstilbestrol; brief report on the DESAD project *481
curriculum prepared for use in public schools, New York State (SR) 191
history of research of over 5,000 years (PR) 583
irradiation-related thyroid, National Cancer Institute to inform public of risks (SR) 584
of stomach, esophagus, larynx, inhaling chemical fumes increases risk; study at Roswell Park Memorial Institute, Buffalo, N.Y. (SR) 293
ovarian cystadenocarcinoma-associated antigen (OCAA) as a diagnostic marker (SR) 90
screening as a health insurance benefit (SR) 92
trends in incidence in Allegheny County, Pa., 1937-71 *365

CEREBROVASCULAR DISEASE

- patients in an urban setting (Orleans Parish, La.), financial expenditures for the care of *272

CHILD HEALTH AND WELFARE

- see also* School Health
combined administration of measles, mumps, rubella, and trivalent oral poliovirus vaccines; combined vaccine studies *220

control of measles outbreak in an elementary school, Baltimore County, Md., 1975	*217		
Early and Periodic Screening, Diagnosis, and Treatment (EPSDT); evaluation of effectiveness	*527		
effects of early malnutrition on learning, motivation, and attention span (PR)	286		
family size and malnutrition in Santo Domingo ..	*453		
national immunization campaign against childhood preventable diseases (May-June inside cover)			
Navajo Indian children, program for correction of ear perforations	*167		
new screening test to detect hypothyroidism in newborns (SR)	288		
nutritional disorders in children (PR)	388		
perinatal mortality in the St. Louis metropolitan area	*268		
premature infants, waterbeds help reduce cessations of breathing (SR)	187		
reader's guide for parents of children with mental, physical, or emotional disabilities (PR)	587		
CHLOROFLUOROCARBONS			
propellants in aerosols, FDA proposes phaseout (SR)	92		
CHRONIC DISEASES <i>see</i> name of disease			
CLINICS <i>see</i> Health Facilities			
COMMUNICATIONS			
biomedical space satellites, between VA hospitals to enhance medical education and consultation in remote areas (SR)	583		
COMMUNITY HEALTH			
educational materials available for planning (PR) ..	190		
project in 10-year perspective	*570		
rural, steps to take in building primary health care centers (PR)	392		
second annual report on activities of the Bureau of Community Health Services (PR)	292		
workers, role in keeping people well despite life change crises	*343		
COMPUTERS			
developed for diagnosing heart disease (SR)	388		
worldwide system to convey diagnostic data on birth defects rapidly (SR)	192		
CONFERENCE REPORTS			
International Conference on Drug Reimbursement in National Health Plans	188		
national symposium focuses on future of American hospitals	190		
seven energy conferences draw representatives from 350 health care institutions	393		
CONSUMER PRODUCTS			
fatal injuries attributed to, Pennsylvania, 1971 ...	*374		
CONSUMERS			
educating for participation in planning and developing health care services, Pennsylvania State University receives grant to develop (SR)	390		
problems with prepaid health plans in California, implications for serving Medicaid recipients through health maintenance organizations	*121		
CONTRACEPTIVES			
IUDs, new labeling requirements established by Food and Drug Administration (SR)	487		
use by currently married women (PR)	88		
CONTRACTS, FELLOWSHIPS, GRANTS			
awards in nursing offered by American Lung Association to improve respiratory care	492		
Center for Fiscal Management of Health Care funded by W. K. Kellogg Foundation	293		
National Center for the Prevention and Control of Rape awards contracts for research and development	192		
Pennsylvania State University awarded W. K. Kellogg grant to develop program to educate consumers for participation in planning and developing health care services	390		
research fellowships available for U.S. biomedical scientists to Sweden and Switzerland	490		
22 ambulatory care sites receive award from Hospital Research and Educational Trust, funded by a grant from W. K. Kellogg Foundation	489		
University of Minnesota receives grant to expand independent study program for health professionals	491		
WHO fellowships for U.S. health workers, 1978 ..	291		
CORRECTIONAL FACILITIES <i>see</i> Prison Health			
DAY CARE			
adult programs in the United States: current research projects and a survey of 10 centers	*49		
DEATH AND DYING <i>see</i> Terminal Care			
DENTAL CARE			
preventing tooth decay, guide to implementing self-applied fluoride programs in schools (PR) ...	583		
prevention of caries, guidelines for establishing fluoride mouthrinsing program for school children	*240		
DENTISTS			
and physicians, study of federally employed (PR) .	195		
dental aspects of Health Professions Educational Act of 1976 (Public Law 94-484); fact sheet (PR)	290		
DERMATOLOGY <i>see</i> Skin Diseases			
DIALYSIS			
treatment cheaper at home (SR)	188		

DISASTERS *see* Emergency Services

DISABILITY

estimates and use of medical services, by State and region, National Health Survey (PR) 389

DIETHYLSTILBESTROL

genital tract anomalies and cancer in females exposed in utero; brief report on the DESAD project *481

National Cancer Institute publishes pamphlets for physicians and the public (PR) 190

DIPHTHERIA

among Skid Road residents, Seattle, Wash., 1972-75 *336

DNA

guidelines for research, NIH issues documents related to (PR) 188

DOG BITES

human deaths induced by, United States, 1974-75 *425

DOGS

rabies examination, device to hold heads (SR) 585

DRUGS

adenine arabinoside (ara-A) for herpes virus encephalitis, first successful treatment of patients (SR) 586

and the elderly, problem overview and program strategy *43

containing estrogen and progestin, FDA orders brochure to accompany prescription (SR) 585

D-penicillamine treatment for arthritis, joint U.S.-U.S.S.R. study (SR) 189

new classification could identify industry monopolies (PR) 489

patient package inserts; new tool for patient education *421

procurement, pricing, and dispensing in national health insurance plans discussed at international conference, Reston, Va. (CR) 188

ECONOMICS, HEALTH

capital financing for health facilities *499

changes in costs of treatment of selected illnesses (PR) 389

controlling costs of health care (PR) 488

cost effectiveness of Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) for low-income children *527

effect of economic barriers to medical care on patients' noncompliance *72

escalating costs of health care (November-December inside cover)

estimates of 1974 per capita and average out-of-pocket health costs and costs by kind of health expense, sex, and age group (PR) 490

financial expenditures for the care of cerebrovascular disease patients in an urban setting, Orleans Parish, La., 1971 *272

third-party payments for new health professionals in primary care; an alternative to fractional reimbursement *518

EDUCATION NOTES

Air Pollution Training Institute, courses for 1977-78 493

AMA regional workshop for hospital medical staff leaders 294

continuing medical education institute 93

courses in biohazard containment and control 394

graduate summer session in epidemiology at University of Minnesota 195

graduate summer session of statistics in the health sciences 195

seminars on air pollution control and water quality engineering 394

Symposium on Nutritional Management of Genetic Disorders 494

training course in maternal and child health 394

EDUCATION, PROFESSIONAL

see also Training

dental aspects of Health Professions Educational Act of 1976 (Public Law 94-484); fact sheet (PR) 290

expanded independent study program, University of Minnesota receives grant (SR) 491

Institutes in Perinatology, announcement 393

National Center for Health Services Research designated primary research arm of the Graduate Medical Education National Advisory Committee (GMENAC) (SR) 582

report on the National Area Health Education (AHEC) Program *108

schools of public health and their future role; a review *407

review *407

EMERGENCY SERVICES

evaluative measures and data collection methods for emergency medical services systems *315

organization and management in prepaid group practices, effects of legislative requirements *307

regulations for providing mental health services in major disasters, DHEW (SR) 189

ENCEPHALITIS

herpes virus, first successful treatment of patients with drugs (SR) 586

Venezuelan equine, vaccination survey in Arizona and New Mexico, 1972 *357

ENERGY

conferences draw representatives from 350 health care institutions (CR) 393

ENVIRONMENTAL HEALTH

distribution of total and fecal coliform organisms from septic effluents in selected Atlantic coastal plain soils *251

extent of threat to health from environmental fac-

tors and ways to meet it (PR)	387
new noise abatement policy, OSHA (SR)	87
EPIDEMIOLOGY	
and laboratory investigations of bovine anthrax in two Utah counties, 1975	*176
dog bites, human deaths induced by, United States, 1974-75	*425
hospitalization for fractures and bone loss in adults. Why do we regard these phenomena as dull? ...	*33
influenza and Parkinson's disease	*79
respiratory symptoms of employees of retail meat departments; preliminary results of a study in northeastern Ohio	*545
Venezuelan equine encephalitis vaccination survey in Arizona and New Mexico, 1972	*357
waterborne gastrointestinal illness at a ski resort in Montana; isolation of <i>Yersinia enterocolitica</i> from drinking water	*245
EPSDT see Screening Programs	
ETHNIC GROUPS	
American Indians, factors affecting maternal mortality and morbidity among	*349
American Indians, one view of etiology of mental depression	*458
American Indians, progress report on the Indian Health Program of the Public Health Service (PR)	387
determining ethnic origin in an interview survey; problems and recommendations	*414
Hispanic population, pre-1970 in Arizona, California, New Mexico, and Colorado (SR)	287
minorities in medicine, 1966-76 (PR)	488
Navajo Indian children, program for correction of ear perforations	*167
EVALUATION	
of care of patients in nursing homes, nationwide study; use of patient care and evaluation (PACE) instrument	*30
of competence in the health professions (PR)	287
of emergency medical services systems, evaluative measures and data collection methods	*315
of genetic counseling; committee report on appropriate methods	*332
of Health Services Administration programs, abstracts published (PR)	194
of laboratory performance with blind and mail-distributed proficiency testing samples; Center for Disease Control program	*554
of televised stop-smoking clinic	*81
FAMILY PLANNING	
and fertility, survey in Atlanta, Ga., 1971	*444
clinics, need for selectivity in screening for gonorrhea	*361

FILMS

expanding role of the nurse depicted in "Portrait of a Nurse"	290
experiments in ambulatory care; for hospital boards and administrators	492
for users of analytical X-ray equipment	288

FLUORIDATION

guidelines for establishing a mouthrinsing caries prevention program for school children	*240
self-applied fluoride programs in schools, guide to implementing (PR)	583

GASTROENTERITIS

waterborne, isolation of <i>Yersinia enterocolitica</i> from drinking water in a ski resort in Montana.	*245
--	------

GENETICS

counseling, committee report on appropriate methods for evaluating	*332
ring-tailed lemurs used in genetic studies at Primate Research Center in Oregon (SR)	291

GONORRHEA

screening in family planning clinics, need for selectivity; study of Family Planning Project of Seattle-King County Department of Public Health	*361
---	------

GROUP PRACTICE

<i>see also Health Maintenance Organizations</i>	
effects of laws on organization and management of emergency services	*307
medical, current status in United States	*430
prepaid, evaluation of the use of protocol for minor respiratory illnesses by nurses	*473

HANDICAPPED

children with mental, physical, or emotional disabilities, reader's guide for parents of (PR)	587
---	-----

HEALTH CARE

escalating costs of (November-December inside cover) for migrant workers, patterns of care given by private physicians and clinics	*326
for women, issues explored in NCHSR publication (PR)	292

HEALTH DEPARTMENTS

Dallas, Tex., use of queueing theory for problem solution in Bureau of Vital Statistics	*171
local, program planning and evaluation practices of nutritionists	*466
Seattle-King County, study of cost of routine screening for gonorrhea in Family Planning Project... ..	*361

HEALTH EDUCATION

<i>see also Patient Education</i>	
cancer curriculum prepared for use in public schools in New York State (SR)	191
irradiation-related thyroid cancer, National Cancer	

Institute to inform public of risks (SR)	584
televised stop-smoking clinic; evaluation of effectiveness	*81
testing television messages about health (SR)	392

HEALTH FACILITIES

adolescent maternity project, Rochester, N.Y.	*154
capital financing of hospitals and beds	*499
community mental health centers; social worker's role in meeting needs of the aging	*39
for provision of terminal care; issues and alternatives	*20
free walk-in clinic, chief complaints of patients ...	*150
nursing home patients share activities with institutionalized mentally retarded youngsters, North Carolina	*57
nursing homes, nationwide study to evaluate care of patients (PACE)	*30
Optometric Center of New York, characteristics of patients and rates of referrals	*160

HEALTH INSURANCE

national, for the United States; origin, evolution, and perceptions for future	*399
national, fundamental concepts (September-October inside cover)	
national, implications of social survey data for future health care policy	*508
study of cancer screening as a benefit of (SR)	92
third-party payments for new health professionals in primary care; an alternative to fractional reimbursement	*518

HEALTH MAINTENANCE ORGANIZATIONS

<i>see also</i> Group Practice	
implications for serving Medicaid recipients through; consumer problems with prepaid health plans in California	*121
1976 amendments will aid growth of prepaid care (SR)	193

HEALTH PLANNING

DHEW regulations for State certificate of need programs (SR)	194
educational materials available for community planning (PR)	190
forecasting the need for hospital beds; a quantitative methodology	*199
Institute for Strategic Health-Care Planning; new organization (SR)	586
issues and the National Health Planning and Resources Development Act of 1974 (Public Law 93-641) (PR)	390
ten regional centers provide aid to planning agencies (SR)	191

HEARING AIDS

FDA orders new conditions for selling (SR)	289
--	-----

HEART DISEASES

computer-based system for diagnosing (SR)	388
in husbands, relationship of wives' preventive health orientation	*65

HOSPITALS

and beds, capital financing for health facilities ...	*499
and skilled nursing facilities under Medicare, discharges by death	*263
clinic, effect of task reassignment on physician productivity; Project Care, New York City	*147
estimating use in Arkansas	*211
forecasting the need for beds; quantitative methodology	*199
future of American, national symposium focus (SR)	190
nationwide cost-containment program, Project Hope offers prizes for analytical papers (SR)	487
Veterans Administration, use of space satellites in biomedical communications for remote areas (SR)	583
Wadsworth VA Hospital Center, Los Angeles, designed to remain operational in earthquake aftermath (SR)	89

HYPERTENSION

and blood pressure, advance data from the National Center for Health Statistics surveys (PR)	91
--	----

HYPOTHYROIDISM

new screening test to detect in newborns (SR)	288
--	-----

IMMUNIZATIONS

<i>see also</i> Vaccines	
national campaign to immunize children (May-June inside cover)	

INDIANS, AMERICAN *see* Ethnic Groups

INFANTS *see* Child Health and Welfare

INFLUENZA

and Parkinson's disease	*79
data, weekly national estimates issued by National Center for Health Statistics (SR)	92
estimating cases and vaccinations by means of weekly rapid reporting system; methodological considerations and results obtained by U.S. Health Interview Survey	*299

INFORMATION SYSTEMS

implementing the Model Medicaid Management Information System in Minnesota	*135
--	------

INTERNATIONAL HEALTH

Pan American Health Organization, 75 years of international cooperation in public health	*537
seventy-fifth anniversary of Pan American Health Organization	*485

IRAN		
acceptance of auxiliary rural health workers	*280	
LABORATORIES		
proficiency testing with blind and mail-distributed samples, comparison of performances; Center for Disease Control program	*554	
LABORATORY PERSONNEL		
microbiology workshop for home-study approach ..	*561	
LABORATORY TESTS AND TECHNIQUES		
cerebrospinal fluid serology—is its routine use justifiable?	*260	
ovarian cystadenocarcinoma-associated antigen (OCAA) as a diagnostic marker (SR)	90	
LAWS AND REGULATIONS		
FDA orders brochures to accompany prescription drugs containing estrogen and progestin (SR) ...	585	
FDA orders new conditions for selling hearing aids (SR)	289	
for providing mental health services in major disasters (SR)	189	
for State certificate of need programs, DHEW programs (SR)	194	
health planning issues and the National Health Planning and Resources Development Act of 1974 (Public Law 93-641) (PR)	390	
HMO 1976 amendments will aid growth of prepaid care (SR)	193	
Health Professions Educational Assistance Act of 1976 (Public Law 94-484); implementation over the next 4 years	*99	
implementation of legislative requirements for emergency medical services in prepaid group practice organizations	*307	
new labeling requirements established by Food and Drug Administration for IUDs (SR)	487	
right to access to information submitted under requirements of the National Health Planning and Resources Development Act of 1974	*411	
LEAD		
accumulation in pregnant women who smoke cigarettes and their fetuses (SR)	491	
LEMURS, RING-TAILED		
used for genetic studies at Primate Research Center in Oregon (SR)	291	
LIFE CHANGE CRISES		
relationship to health status; role of community health workers in preventing illness in people experiencing crises	*343	
MALNUTRITION		
of preschool children in relation to family size, Santo Domingo	*453	
MALPRACTICE		
cases, an analysis of legal aspects (PR)	91	
essential administrative ingredients of risk management as a preventive against	*462	
MANPOWER		
auxiliary health workers, acceptance in rural Iran ..	*280	
Health Professions Educational Assistance Act of 1976, implementation over the next 4 years	*99	
impact of Health Professions Educational Assistance Act of 1976 (March–April inside cover)		
maldistribution of health manpower and services addressed by Area Health Education Center (AHEC) Program	*108	
physician productivity in a hospital clinic, effect of task reassignment; Project Care, New York City ..	*147	
rural physicians, simplified method for approximation of shortages	*322	
MEASLES		
control of outbreak in an elementary school, Baltimore County, Md., 1975	*217	
MEAT WORKERS, RETAIL		
prevalence of respiratory symptoms and effects of exposure to pyrolytic products of plastic meat-wrapping film	*545	
MEDICAID, MEDICARE		
consumer problems with prepaid health plans in California; implications for serving Medicaid recipients through health maintenance organizations	*121	
activities of Institute for Medicaid Management, Medical Services Administration, DHEW (SR) ..	393	
discharges by death from hospitals and skilled nursing facilities under Medicare	*263	
implementing the Model Medicaid Management Information System in Minnesota	*135	
reimbursement for services provided by optometrists, DHEW report (PR)	193	
MEDICAL SCHOOLS		
U.S., record numbers enrolled, fall 1976 (SR)	86	
MEDICINE, PREVENTIVE		
relationship of wives' preventive orientation to their beliefs about heart disease in husbands ...	*65	
MENTAL DISORDERS		
retarded institutionalized youngsters share activities with elderly residents of nursing home, North Carolina	*57	
MENTAL HEALTH		
depression in the American Indian, one view of etiology	*458	
of the aging, focus on (SR)	85	
services in disasters, regulations for providing (SR) ..	189	
MICROBIOLOGY		
workshop for laboratory personnel; home-study approach	*561	

MIGRANT WORKERS	
in Utah: patterns of care given by private physicians and clinics	*326
MORBIDITY <i>see</i> Vital Statistics	
MORTALITY <i>see</i> Vital Statistics	
NATIONAL HEALTH PLANNING AND RESOURCES DEVELOPMENT ACT	
of 1974, right of public access to information submitted under	*411
NURSES	
in prepaid group practice, evaluation of their use of protocol for minor respiratory illnesses	*473
newly licensed, National League for Nursing offers data service on career experiences (SR)	491
role depicted in film, "Portrait of a Nurse" (SR) ..	290
NURSING	
awards offered by American Lung Association to improve respiratory care (SR)	492
NURSING HOMES <i>see</i> Health Facilities	
NUTRITION	
disorders in children (PR)	388
fifth Western Hemisphere Nutrition Congress, "Nutrition in Transition" (SR)	294
NUTRITIONISTS	
in local health departments, program planning and evaluation practices	*466
OCCUPATIONAL HAZARDS	
inhaling chemical fumes increases risk of cancers of stomach, esophagus, and larynx: study at Roswell Park Memorial Institute, Buffalo, N.Y. (SR)	293
OCCUPATIONAL HEALTH	
Federal agencies take cooperative steps to reform regulatory process and improve health of workers and public (SR)	582
new noise abatement policy, OSHA (SR)	87
OPTOMETRISTS	
Medicare reimbursement for services provided, DHEW report (PR)	193
OPTOMETRY	
characteristics of optometric patients and rates of referrals for corrective lenses and special services, Optometric Center of New York	*160
OTITIS MEDIA, CHRONIC	
correction of ear perforations in Navajo Indian children	*167
PAN AMERICAN HEALTH ORGANIZATION	
75 years of international cooperation in public health	*537
seventy-fifth anniversary	*485
PARKINSON'S DISEASE	
and influenza	*79
PATIENT PACKAGE INSERTS	
brochure to accompany prescriptions for female hormones ordered by FDA (SR)	585
for prescription drugs, new tool for patient education	*421
IUDs, new labeling requirements by FDA (SR) ...	487
PHYSICIANS	
and dentists, study of federally employed (PR) ...	195
productivity in hospital clinic, effect of task reassignment; Project Care, New York City	*147
shortages of rural, simplified method for approximation	*322
PHYSICIAN'S ASSISTANTS	
and nurse practitioners, training and deployment, study of programs for (PR)	584
third-party payments for new health professionals in primary care; an alternative to fractional reimbursement	*518
PLAGUE	
new manual gives guidelines for control (PR)	189
POISONING	
Poison Prevention Week, materials available for (SR)	93
POLYVINYL CHLORIDE	
film and wrapping equipment, effects on workers in retail meat departments	*545
PREVENTIVE MEDICINE <i>see</i> Medicine, Preventive	
PRISON HEALTH	
AMA study of health care in jails (SR)	488
review of health services in correctional facilities in the United States	*564
PROJECT HOPE	
offers prizes for analytical papers on long-range consequences of nationwide cost-containment program (SR)	487
PUBLICATION REVIEWS	
"A Reader's Guide for Parents of Children With Mental, Physical, or Emotional Disabilities"	587
